SERVICE DOG GUIDELINES

While your service dog has been socialized for most public settings, touring a zoo – especially for the first time – can be an unusual experience. To ensure the safety of our animals and to provide an enjoyable visit for both you and your dog, please read the following information.

- Service dogs must be properly leashed or harnessed.
- Animal Department personnel will be notified of your arrival in the Zoo.
- Please be aware that Canada geese, peawolf, grey squirrels, and other wildlife roam freely throughout the Zoo.
- Please be sure to clean up and dispose of any waste your dog may leave.
- Please watch for any indications that the Zoo animals are upset. These behaviors may include excessive flying, running or vocalizing. Should you see any of these behaviors, please step away from the distressed animal.

Please be particularly aware of the following areas...

- First Niagara Big Cat Falls
- KidZooU
- Cheetahs
- Zebras

If you have any questions, feel free to ask a staff member for assistance.

Due to the free ranging animals in these exhibits, a Zoo escort is required in...

- McNeil Avian Center
- Barnyard Area of KidZooU
- Lorikeet Encounter

FOR ASSISTANCE

If you need assistance please visit our Main Entrance Box Office or contact a Zoo staff member.
